Langley Hospice Society & Foundation

Annual Report

April 1, 2017 - March 31, 2018

Executive Director's Report

Reflecting upon this past year, it can be thought of as a year of gratitude, change, excitement and transition. Our Supportive Program Centre is the hub of everything we do. It is where our adult and child/youth bereavement programs, along with our palliative and volunteer support programs, take place. Second Story Treasures, our thrift store in Walnut Grove, is a great store worth visiting - not your typical thrift store.

The work we do is so important…with children as young as four to adults in their 90's - we serve them all, no matter the circumstances surrounding the death of their loved ones. Along with our 1:1 and group support programs, we pride ourselves in developing unique and innovative initiatives such as our Supportive Steps Walking Group, Cooking Together, Moments in Focus, Coffee Mornings, and various day and summer camps.

We are considered a leader amongst hospice societies for the innovative work we do. For example, our Child & Youth Program is the only program that works with both children and teens in the entire province. We offer sessions and/or events that are recreation, art and play-based. We collaborate closely with the school district and provide support in schools to make it easier for youth to get the support they need. As well, the training we provide is highly sought after by school and registered counsellors, university students, other hospice societies, volunteers and other organizations supporting children & youth.

Through our Adult Bereavement Program we are seeing more and more how different grief is for each person. Because of that, we strive to adjust our programming to better support our clients. The opioid crisis has affected many of our Langley families and we are now offering specific support for parents who have lost a child to suicide and/or overdose. We are one of the few hospices providing this specific support and as a result, families from other communities attend our group meetings. We continue to work hard to adjust and evolve in order to support the needs of the community and ultimately our diverse client base.

The philosophy behind our support programs may seem very simple … we are here to help, we will meet you where you are and, most especially, we will walk alongside you as you journey through your grief. The impact of our programs can never be understated or underestimated.

Our Second Story Treasures Thrift Store experienced the most changes over the year with Deborah Campbell and Kathy Sawatzky both retiring. These two dedicated ladies brought great leadership to the store for more than ten years. They will be greatly missed! We have a new team in place who are already hard at work in maintaining the standards and setting new goals for the future.

We are still actively working towards building a new free-standing, 15-bed hospice residence for Langley. This past year has been extremely busy as our design plans are now complete and we are looking at moving into the construction phase very soon. This has been a labour of love for all involved as our dream is finally becoming a reality. Stay tuned!

As we move forward we are committed to strengthening our programs based on current and emerging needs. We appreciate the dedication and commitment of all our staff and volunteers and are grateful for the community engagement of our Board, clients, volunteers, donors and funding partners. Working together enables us to continue to provide the high quality work that we do.

Respectfully submitted,
Nancy Panchuk, Executive Director

Did you know….the Langley Hospice Society operates on an annual budget of less than $570,000. We want our donors to know that your dollars are well spent – flip through the next few pages and see the impact of these dollars on direct program and service delivery!

NEW 15-BED LANGLEY HOSPICE RESIDENCE PROJECT

We need your help to raise the $1,000,000 necessary to furnish and outfit the new hospice residence and create a homelike environment for all who enter its doors.

Raised to date: $166,263

HELP US MAKE OUR HOUSE A HOME…

Adult Bereavement Support

Each year, with the increased community awareness of the Langley Hospice Society, the demand for services also increases. We have provided a variety of year-round services to support the needs of the clients we serve. This past fiscal year the Adult Bereavement Program provided 3,331 contact hours of support to 730 people; this is an increase of almost 2,000 contact hours of service provided to clients over last year.

Services Provided:

- One-to-one and family support
- Regular support groups and support groups for parents who have lost their adult children from substance use or suicide
- Monthly coffee mornings for moms who have lost babies
- Bi–weekly coffee mornings for moms who have lost adult children
- Two men's meetings
- Monthly *Second Step* discussion group
- Drop-in coffee mornings
- *Coping Through the Holidays* workshops
- *Journey Through The Holidays* memorial event
- Weekly yoga sessions
- *Cooking for One* evenings
- *Cooking Together*
- Weekly morning group
- Weekly daily and seasonal evening walking groups
- Memory Book evenings

Special heartfelt thanks go out to:

- Brenda Singbeil and Ruth Noble for co-facilitating support groups and helping in other areas of Adult Bereavement, including our annual Christmas events
- Kerry Child for volunteering with the Young Moms Coffee Mornings, and Gail McIvor for assisting with coffee mornings and our annual Christmas event
- Carol Collett for her dedication in leading our Wednesday morning Walking Group; thank you also to those who have supported Carol by leading with her or in her absence: Dale Attrell, Marge Johnson, Ryan Lemley, Ennio Gasbarri and Myrna Baker
- Val Ehman for spearheading and leading our Tuesday evening Walking Group
- Stacie Mah for co-facilitating our *Second Step* discussion groups
- Marge Johnson, Pat Thebaud, and Marsha Zappa-Buis for forming a committee to guide our *Cooking Together* Program
- Carol Oleksiuk for leading a relaxation workshop in fall, 2017
- Jayme, UFV practicum student, for being my right-hand person for four months
- Rick Rozdeba for sharing his heartfelt personal experience at our Plates and Glasses event
- Yoga teachers, Adrienne Thompson & Lindsay McIntyre - the yoga sessions mean so much to our clients
- Angie Quaale, Chef Sue Weibe and all the staff from Well-Seasoned—A Gourmet Food Store for hosting *Cooking for One* classes and providing our clients with fabulous and informative evenings; thank you to Sue Westhaver for assisting with the *Cooking for One*
- Carmen Kimm from Foresters Financial who fundraised, purchased and delivered art supplies supporting our memory book evenings
- G&F Financial for their generous donation that helps us provide a much-needed support service to parents of adult children who have died from substance use or suicide.

Linda Sheridan
Adult Bereavement Program Coordinator

Journey Through the Holidays

Child & Youth Bereavement Support

This year, the Child and Youth program continued to develop and offer innovative group programming that was outdoor and/or activity-based to encourage children and youth to address personal aspects of grief, such as connections with others, physical care and exploring self-esteem with healthy risk-taking.

We had a busy winter season with three separate events being held: the children's Gingerbread Competition, a teen Christmas event and a pre-teen winter event that included a movie discussion.

Camp Chrysalis

Our Intergalaxy space-themed summer camp for grieving children and preteens entertained visitors including Martians, storm troopers, Darth Vader, Darth Maul, and creatures from other universes for a fun-filled experience! The junior leaders, who are pre-teens and teens from the program, played an integral role in helping out with the camp, mentoring their younger peers and running activities. The volunteers from the community, who were our senior leaders, did an amazing job supporting the children, running activities and mentoring the junior leaders!

Support and Activities

- Four in-house support groups were held, with an additional one offered at an elementary school.
- One-to-one support services continue to be in high demand with a total of 284 sessions provided.
- Our school outreach services provided one-to-one and group supports at several schools.
- An open house was held for Children's Grief Awareness Day in November, inviting community services and families to learn more about our support services.
- We continued to provide education, presenting at Planning 10 Classes as well as running workshops at large professional development conferences such as the BC Teachers' Federation Superconference and the School District 35 Odyssey Conference. We also provided two sessions of the *Supporting Grieving Children and Teens* training.

Donations/Fundraising

Our sincere appreciation to Omada Teambuilding at Trinity Western for supporting our youth by providing team and leadership activities. The teen program has also been the lucky recipient of a generous grant from the Soroptomists International of the Langleys.

Adrienne Thompson has been generously donating her time, volunteering to teach yoga as well as organizing the Stretch & Sip fundraisers for our teen program.

Thank Yous

To Program volunteers: Chiara Casellato, Alexis Heiben, Dominic Fricker, Jaclyn Carmichael, Jessi Delaroche, Jasmine Lee, Rachel Batty, Konnor Mitterer, Brendan Suto, Adrienne Chen, Mira Shoker, Rubina Hoonjan, Laura Drinkwater
To our Caring Hands Quilter's Group
To our practicum student Rajani Dhillon (Douglas College)
And to: Douglas College, Coast Capital Savings and the Langley Elks

Camp Chrysalis

Palliative Support & Langley Hospice Residence

Another wonderful year has come and gone during which time the hospice residence continues to provide excellent service to patients and their families while maintaining a "homelike" environment. Our volunteers moved to a different location within the residence and we now have a little place we can call our own. This group of versatile volunteers (53 in total) is an integral part of a great team which includes nursing staff, a social worker, spiritual care practitioners and physicians, all complementing one another in providing excellent care for our patients and their families.

Energy work, mainly Reiki and Therapeutic Touch, are still offered to help patients relax and sometimes alleviate pain. Trained volunteers will give this gentle treatment to the patient as well as to family members and staff. Our volunteers are very good at looking after the "small stuff"; walking with the patient, companioning them outside, holding a hand, giving hand and/or foot rubs, having a reassuring presence and so on; in other words, providing a healing environment for the patients and their families.

We have been responsible for the upkeep of the grounds and the gardening at the residence for many years now and every year it seems to get better, with the hard work and dedication of a small group of volunteers. People who come to the residence are met with "nature" that is pleasing to the eyes and provides a sense of peace. Generous donations from Cedar Rim Nursery and Botanus have helped make this possible.

"Basic Training" is for those who are interested in expanding their skills in providing support for people who are dying and bereaved. The beauty of the training is that it is practical and can be applied to life in general. A comment I hear a lot is: "I wish I had taken this a long time ago – I could have used it."

Other training sessions offered to volunteers are "Spirituality at the End of Life", and "Feeding" training, facilitated respectively by Charlene Neufeld, Spiritual Health Practitioner and Bella Wang, RN, BSN, MN, both from Fraser Health. These additional trainings complement our basic training and provide participants with more tools to do their work.

We have continued our partnership with Langley Lodge by providing volunteers for their vigils. Our partnership enables the Lodge to reach out to us for our vigil volunteers to be at the bedside of patients in their last hours.

Additionally, the support that Langley Hospice delivers extends itself to the community where we were able to provide respite to caregivers and companionship to the dying in their own surroundings, which can make a big difference for all concerned.

Fernande Ouellette
Palliative Program Coordinator

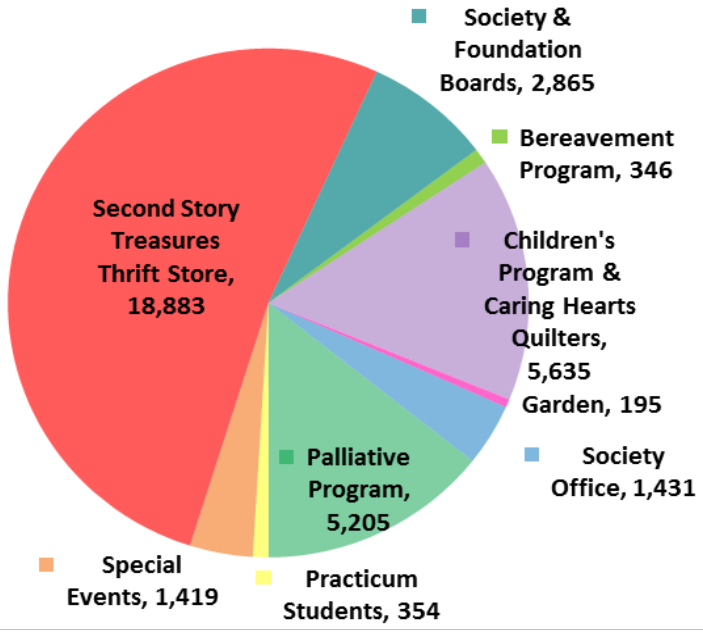
Volunteer Programs

"Time is an equal opportunity employer. Each human being has exactly the same number of hours and minutes every day. Rich people can't buy more hours. Scientists can't invent new minutes. And you can't save time to spend it on another day. Even so, time is amazingly fair and forgiving. No matter how much time you've wasted in the past, you still have an entire tomorrow."

~ Denis Waitley

Time is one of those things that I have become more aware of as I work with volunteers at the Langley Hospice Society. We are all given the same amount each day and I am amazed by the things that our volunteers accomplish each and every shift.

Two of our Caring Hearts Quilting Group volunteers, Hendrika Keereweer and Dee Halicki, each donated over 1,000 hours last year alone, and Shirley Read and Nora Baillie at our Second Story Treasures Thrift Store have donated close to 800 hours each in the past year!



We are blessed to have such an active volunteer group and supportive community that has allowed us to increase the number of special events we are involved in. While we have several volunteers that are dedicated to helping with these events, a large portion of our volunteers help with events in addition to their regular roles:

- **Plates & Glasses**, April 22, 2017 - 21 volunteers donated 175 hours
- **White Caps Game,** July 1, 2017 - 9 volunteers donated 27 hours
- **Krause Berry Farms Butterfly Release,** July 8, 2017 - 13 volunteers donated 62 hours
- **Langley Hospice Garden Party,** August 24, 2017 - 8 volunteers donated 30 hours
- **West Fine Arts Show**, September 8 - 10, 2017 - 15 volunteers donated 70 hours
- **Cedar Rim Fashion Show,** October 4, 2017 - 15 volunteers donated 54 hours
- **Fraser Valley Orchid Show & Sale**, October 14 & 15, 2017 - 10 volunteers donated 25 hours
- **Celebrate A Life**, November 29, 2017 – December 10, 2017 - 55 volunteers donated 288 hours
- **Glow Christmas**, December 11-16, 2017 - 35 volunteers donated 144 hours
- **Fort Langley Historic Half Marathon,** February 18, 2018 - 57 volunteers donated 245 hours

We are humbled to have such a dedicated team of individuals helping us to support the community. From the unsung heroes on our board of directors to our amazing Second Story Treasures Thrift Store volunteers, energetic Children's Program volunteers, compassionate Palliative and Bereavement volunteers, creative garden volunteers, and of course, our outstanding special event volunteers. Last year, 36,333 hours of time was gifted to us by 256 individuals—see chart above for details.

Volunteers are the heart of our programs; we are blessed to be able to attract such passionate and engaged individuals. Without our amazing volunteers we would not be able to accomplish a fraction of things we do each year – thank you!

Denise Station
Volunteer Coordinator

Community Engagement & Fundraising

It's been another busy year for the Langley Hospice Society, during which our staff and volunteers hosted a number of events and activities to help raise important funds and awareness integral to the development and delivery of the innovative and responsive, palliative and bereavement support programs and services that the Society provides free of charge, for the children, teens, adults and families we serve.

In April of 2017, a team of Langley Hospice Society staff and volunteers launched a new fundraising event. **Plates & Glasses**, a five course, libation-pairing event was held at the Fort Langley Community Hall and supported by a number of local businesses including: Well Seasoned—a Gourmet Food Store, KIS Consulting, 1 Fish 2 Fish Fresh Seafood Market, Otter Co-op, Bonetti Meats, and Cobbs Bread. The event sold out and raised more than $16,000 for our Supportive Program Centre and the 2nd Annual Plates & Glasses Event was booked for April of 2018.

This new event was followed by a number of annual events and other collaborations with local businesses and community groups including:

- Our **Butterfly Release** at **Krause Berry Farms & Estate Winery**, held annually in partnership with the Langley Care Foundation. More than 400 painted lady butterflies were released in memory and in celebration of loved ones. This year's release is scheduled for July 7th, 2018 with 500 butterflies to be released in the beautiful gardens onsite.
- The Langley Hospice Society's August Garden Party's guests enjoyed an update on our programs and services and the New 15-Bed Langley Hospice Residence Project.
- The **West Fine Art Show ~ Remembering** enjoyed great success in its new location this past September at the **Glass House Estate Winery** in South Langley, hosted by the DeJong Family. They will be welcoming this fine art show and sale back this year for the weekend of September 21-23, 2018.
- In October, we welcomed a new collaboration with **Cedar Rim Nursery** and their Annual Ladies Night & Fall Fashion Show, attended by more than 200 guests who enjoyed a fabulous evening of fashion and fundraising, along with some demonstrations of all this local business has to offer. **Fortitude Restaurant** and **Domaine de Chaberton Estate Winery** were onsite and provided some tasty fare throughout the evening, which raised more than $10,000 in support of the Langley Hospice Society.
- December presented another new opportunity for the Langley Hospice Society when we were invited to be part of **Glow Christmas,** a Festival of Lights held for the first time at the Milner Village Garden Centre. Guests were invited to use a promo code online, so that 20% of their ticket purchase went to the Langley Hospice Society. Thanks to community support, more than $13,000 was raised to help fund the programs and services offered via our Supportive Program Centre in Langley.
- Our volunteers bundled up to co-host the **Fort Langley Historic Kids Run, 5k, 10k & Half Marathon** in February with **Try Events** at the Fort Langley Historic Site. More than 500 runners braved the chilly temperatures and finished the event warming up by the fire.

In addition to the support we receive annually from United Way and BC Gaming, this past year saw the Langley Hospice Society receive the following grants to assist in the delivery of some of our innovative, client-centred grief support programs, including:

- A community grant for $3,500 from the **G&F Financial Group Foundation** to provide funding for the Traumatic Loss Support Groups we are now offering bi-annually, to support parents who have experienced the loss of a child to suicide or overdose; and,
- A grant from the **Soroptimist International of the Langleys** for $2,900 supporting Camp Chrysalis, a summer camp that is offered free of charge each August for grieving children and pre-teens.

During the upcoming year, with the support of our community and the Langley Hospice Society board of directors, our staff and volunteers will continue to focus on ensuring the sustainability and growth of the programs and services we provide through the Supportive Program Centre, and to strive forward with our goal of breaking ground on the New 15-Bed Langley Hospice Residence Project, as we continue to reach out for support and funding to furnish and outfit the new residence and *truly make this new house – a home for all who enter its doors.*

Shannon Todd Booth
Communications & Funds Development Manager

Our thanks to the Alpha Rho Master Chapter of the Beta Sigma Phi Sorority who stopped by our Supportive Program Centre with a generous donation of $1,000 for our new 15-Bed Hospice Residence Project.

Second Story Treasures Thrift Store

2017/2018 was another exciting year for our Second Story Treasures Thrift Store in Walnut Grove because of our committed volunteers, great promotion in our community, and faithful staff. We surpassed our budget due to the incredible teamwork of our staff and volunteers.

Our furniture donations have increased due to some of our customers being able to make arrangements for pickups. This has proved to be very beneficial, and has greatly helped people in our community who want to support the Hospice Society with their donations but are unable to bring the items themselves. We are keeping an eye open for more space to house our furniture and large donation items, as we no longer have access to storage on our second floor due to the extra volume of seasonal donations we have received this year.

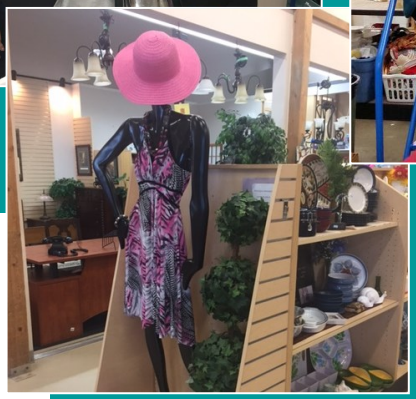
In April, Second Story Treasures said good-bye to two amazing staff members, Store Manager, Deborah Campbell and Assistant Manager, Kathy Sawatzky, who are both retiring. Kathy is moving away to the interior of BC to be near family and Deborah will be spending a lot more time with her beautiful, ever-growing grandbaby collection. Thank you, Deborah and Kathy - you will both be greatly missed.

We have a new management team in place with former Assistant Manager, Roz Molnar taking on the role of Manager, and former volunteers, Kim Kubala and Pat Anderson stepping in as Assistant Managers. We are excited to see this new team working well together and the store thriving with the support of our amazing 80+ volunteers! These precious volunteers have been the wonderful workforce behind this ever successful thrift store for almost 20 years now!

Our Annual Fall Flip in August was a great success thanks to our hard working staff and volunteers with a two day sales total of over $7,553! Our two-day Spring Fling in March brought in sales totaling over $8,000, and our 50% off clothing sale prior to the Spring Fling brought in over $3,300.

We are very thankful for our dedicated volunteers and staff—together we make a great team with a family feel. 2018 promises to be another year of super success thanks to our Second Story Team and the huge contributions and support from our great community.

Roz Molnar
Store Manager



New 15-Bed Langley Hospice Residence

The end of life journey is not just about dying, it's about living well, right to the end. Caring for people at the end of life means enabling them to live out their final days as they wish, surrounded by those they love. The hospice philosophy speaks to the importance of a homelike environment to ensure support for individuals, their families and friends as they face this final journey.

Our New 15-Bed Langley Hospice Society Project is moving forward as we await the final stages of the land lease process with the Fraser Health Authority, our partners on this project, that will see a New Langley Hospice Residence break ground this year on 52nd Avenue and 219A Street in Langley. This free-standing Hospice Residence will house 15 private rooms and provide access to common areas, the outdoors and other comforts in a home-like environment, that will ease the end-of-life journey for patients and their families.

With the funds in place to build our new 15-bed hospice residence, the Langley Hospice Society New Residence Fundraising Committee continues to look to the community for support to help us raise the additional $1,000,000 necessary to furnish and outfit the new hospice residence, and truly ***make our new house – a home*** for all who enter its doors.

This passionate group of volunteers has seen great success to date, hosting information and fundraising events and receiving early support from long-term donors and supporters, including an exciting announcement at the Langley Hospice Society's August, 2017 Garden Party of a $100,000 donation from Langley-based **Teck Construction**.

In February, local business **1 Fish 2 Fish Fresh Seafood Market** and their fabulous staff team hosted Cocktails & Conversation with the Langley Hospice Society, a fundraising and awareness event in support of the new hospice project. Guests came together to hear guest speaker, Aliesha Schwarz, who talked about her hospice experience when caring for her best friend, Heidi, as she spent her final weeks in the Hospice Residence, and the impact a new building and expanded services will have for our community.

"I wished there were a place for gracious dying. A high place with a distant view. Where we could gather for a celebration of life and death and friendship, old and new. I'd like a place where there could be good music. Good food and wine—and laughter, games and fun—And quiet talk with friends and good discussion of what will happen when this life is done."

~ Helen Ansley

Many thanks to all of our very generous supporters and donors!
