A Season of Gratitude…

As we embrace this season of change, and the days grow shorter and the colours of autumn surround us, we are reminded of the importance of connection, kindness, and taking time to appreciate all that makes our community special.

The Langley Hospice Society continues to be proud of our ongoing commitment to put our clients and the community at the centre of the care and support we provide, as we strive to expand the development and delivery of palliative and bereavement support in order to meet the increasing demand for services as our population continues to grow.

We continue to focus on the expansion of the peer support offerings through our Supportive Program Centre and in the community; better management of waitlists for intake and one-to-one support; increased grief support and outreach for students in local schools; and investment in building capacity through training and support for our staff and volunteers.

This Spring, the Langley Hospice Society celebrated our fourth year of operations in the ***Doug & Fran MacDonald Langley Hospice Residence***. Where, thanks to the incredible support of our community, our team is seeing the impact of replacing the aging beds in the residence. The 14 new expandable beds can accommodate larger cuddle mattresses by request, adjust to sitting, and expand to accommodate bolsters for extending the beds for taller residents – each with only one touch of a button. These beds provide the ability for us to accommodate residents' requests, increase mobility and comfort, and keep staff and volunteers safe when making adjustments. Our Palliative Support team, also launched ***Sundaes on Sunday*** this summer, with the recent addition of a soft-serve ice cream machine and a weekly sundae bar for residents and their families to enjoy a moment of nostalgic connection in the Family Kitchen at the hospice residence. The impact of this kind of support is being realized in moments, every day for residents and their families.

This summer, our *Annual Plates and Glasses* event hosted by *Quiring Trucking and Gravel Sales Ltd.*, had another record year, with 250 guests that came together and helped raise more than $125,000.00 to support our Palliative and Bereavement program priorities this year. As a result of this generous community support, we were able to welcome Sarah Miller, into a NEW Palliative & Bereavement Outreach Support role on our program team this Fall.

This new role will assist our team in ensuring equitable access to supports and services, so that seniors living remotely, and those living more vulnerably, are aware and able to access the palliative and bereavement care and support available. This role will assist with bridging between services and organizations in the community; alleviate waitlists; and respond to an increase of requests for community outreach and education; and allow us to provide more support in local schools…

Our Child & Youth Team has seen program staff, Shannon Flannery, and Sarah Laverock, and a fabulous team of volunteers, providing a growing number of peer support activities, including a week long Summer Day Camp program, generously funded by the Beem Credit Union Foundation, our Girls Group, and Baking Together programs, and the most recent addition of the Grief Book Club, for children who have experienced the death of a significant person in their lives.

Program Managers, Angela Elemans and Stephannie Rosencrans, continue to lean in and support a growing team of staff and volunteers through our ***Supportive Program Centre***, as we extend our programs to include a new afternoon offering of our 12-week Hospice Training Program, facilitated by leadership volunteers, Melba and Sherri, with 16 participants this Fall, and NEW one-to-one and drop-in grief support offerings in Aldergrove this Fall, at the Langley Meals on Wheels location on 272nd Street.

Our busy **Second Story Treasures Thrift Store** in Walnut Grove, welcomed, Trevor Elam, into a new full-time store assistant role, joining managers, Kim Glover and Rita Tateyama and P/T store assistant Mehakmeet (Mikki) Kaur; and an incredible group of engaged volunteers. The store hosted their Annual two-day Fall Flip (Sept. 11/12)—their most successful Flip event to-date.

Our entire team of staff and volunteers continue to ensure that we can hold space for the community in meaningful ways. This includes participation in local events like *RibFest, International Overdose Awareness Day*, and the *National Day for Truth & Reconciliation;* workshops & presentations for the *Brookswood Seniors Centre*, *Encompass Support Services*, *BC School Counselors Conference*; and LHS events including *Plates & Glasses* in July, the *Annual Butterfly Release* at *Krause Berry Farms* (Aug. 9), and *West Fine Art Show* at the *Glass House Estate Winery* (Sept. 18-20). Now, they are getting ready for our *Glass Half Full Event* (Oct. 23), at *Harrison Pointe***.** Tickets available at: **www.langleyhospice.ca/events/glass-half-full;** Planning for the Future Workshop (Oct. 24) and the Walk to Remember (Nov.17).

Our Langley Hospice Society, Board, Staff and Volunteers continue to ensure that our programs and services are accessible and responsive to the needs of our growing community. We remain grateful for the generosity of volunteers, donors and supporters like you, that enable us to provide important palliative care and grief support programs and services, and continue to walk alongside individuals, their families and friends at every stage of the end-of-life journey and throughout bereavement. So incredibly grateful for caring and compassionate community that we are a part of. *Thank you.*

PROGRAM UPDATES

Adult Bereavement Support

As the days grow shorter, the fall can bring a mix of emotions, memories, and challenges for those who are grieving. While autumn can be a time of reflection and connection, it can also intensify feelings of loss.

Our fall grief support program offerings provide compassionate spaces where individuals can find understanding, connect with others who have experienced loss, and explore healthy ways to navigate their grief, with a gentle reminder that they do not have to walk this journey alone.

- Our weekly offerings continue, including the ***Supportive Steps Walking Group*** at McLeod Park at 9:30am, followed by our ***Wednesday Morning Drop-In*** **Coffee** at 10:30am at our Supportive Program Centre on 48th Avenue, as well as our **Friday Morning Grief Yoga,** in person and online at 9am.
- Monthly ***Men's Coffee Group*** (Friday afternoons); Monthly **Traumatic Loss Group**—for Parents who've lost children to suicide or substance use, (Tuesday Evenings); and our bi-weekly **Mom's Group** (Friday mornings).
- **Our** Volunteer-led **Drop-in Grief Support is offered bi-weekly,** in **ALDERGROVE** (Tues Afternoons, 1:30pm to 3pm at Langley Meals on Wheels), **WALNUT GROVE** (Tues Evenings from 6:30 to 8pm at the Walnut Grove Secondary School Library) and **LANGLEY (**Friday Afternoons, 1pm to 3pm)at our Supportive Program Centre), providing a safe and supportive space to connect with others with similar experiences of loss.
- Parents grieving the loss of a partner (and their children) are invited to our monthly ***Parent/Child Dinners***, and are invited to share a meal, and connect with others walking a similar path. Parents meet in the kitchen/group area, and the kids are welcomed by staff and volunteers, in the C&Y program area downstairs.
- **Cooking Together**—offered monthly on the last Friday of the month, this program brings together our adult bereavement clients for an evening of cooking, conversation and connection, learning new recipes with Volunteers, Steve & Veronika Scheepmaker. Participation is $10.00 and includes your meal. Registration is required.
- **Walk to Remember**— An invitation for the community to join us for this outdoor memorial & candlelight walk in honour of National Bereavement Day. #Savethedate for Tuesday, Nov.17, 2026 at 5:30pm at the Derek Doubleday Arboretum
- **Coping with Grief During the Holidays** As the holiday season quickly approaches, our bereavement team offers an interactive workshop for those who are grieving, to access information and support on how to navigate the often difficult holiday season. We invite you to join us for one of two options on Wednesday, November 25, in the am (10am–12pm); or evening (6pm-8pm). Participation is free of charge, but registration in advance is requested for planning and space considerations.
- **For more information about any of our offerings, please call: Stephannie or Areesha at: 604.530.1115 or you can email: stephannie@langleyhospice.ca**

A Grief Journaling Exercise to Try…

Grief can make it challenging to see anything beyond the pain you are in. As we move into this season that hosts Thanksgiving gatherings and shorter days, we offer you a small moment of reflection.

- Try and name one thing that you are grateful for today followed by one thing you are looking forward to.
- It's ok if the two things you name seem small (a warm shower on a cold day, a kind smile from a stranger, a good stretch upon waking up).

In grief, it's often the small things that bring comfort and meaning . You can journal these, or just visit these in your thoughts, as you take a walk, or just a moment inside or out.

Child & Youth Bereavement Support

Our child and youth team hosted the ***Magic in Adventure Grief Camp*** in August with 20 campers (8yrs +). With support from staff and volunteers, our campers connected with peers who have had similar experiences of loss, and enjoyed recreation and play-base activities, guided conversations, games, and memorial crafts in a fun and supported environment..

This Fall our program has lots planned!

- **Kids Connect Program**, bi-weekly on Tuesday afternoons from 3:30pm to 5:30pm
- **Pre/Early Teen Drop –in** (11 to 14 yrs), monthly on Oct. 13, Nov. 10
- **Teen Drop-In** (15-19yrs), monthly on Oct. 21, Nov. 24
- **Halloween** Movie Event on Oct. 30, 3:30pm to 5:30pm.
- **Children's Grief Awareness Day** is **Thursday, November 19th,** and our team is hosting an Open House at our Supportive Program Centre during the day.
- We are going to **#paintthetownblue** and light up the house in blue lights in recognition of **Children's Grief Awareness Da**y.
- Winter/Holiday Cookie Decorating on Dec.10 from 6pm to 7:30pm
- **For more information, or to register for the programs, please call Sarah or Shannon at: 604.530.1115.or email us at: s.flannery@langleyhospice.ca or sarah@langleyhospice.ca**

A Fall/Thankful Themed Grief Book for Children…

The Memory Tree by Britta Teckentrup

Guided Questions:

- What does the tree represent?
- How does fox live on in the story?
- What do you think about the animals sharing memories about the fox?
- How can the memories of your loved ones comfort you like the memory of the tree comforted the animals?

Palliative Support Program

- **Planning for the Future Workshop,** providing an introduction to Advance Care Planning and the other important conversations regarding medical and financial decision making as we plan for the future, is being offered in Aldergrove, on Saturday, October 24th, 2026 from 9:30am to 2:30pm. For more information, please email: angela@langleyhospice.ca
- Grateful for volunteers, Anneme & Elmarie, who have donated 15, beautifully handcrafted emotional support chickens, for our hospice residents. These have been well-loved by patients and cherished by many families.

Doug & Fran MacDonald Langley Hospice Residence

- Our team was able to introduce **Sundaes on Sunday,** beginning July 5th and running throughout the summer, in the family kitchen of our Doug and Fran Macdonald Langley Hospice Residence. Volunteers hosted a sundae bar, so that residents, families and caregivers could enjoy a nostalgic treat, and an opportunity to connect with others.
- **Soup Sundays** will return, at the end of October welcoming our caregivers and families to gather in the family kitchen for a warm meal prepared by volunteers.
- Residents and their families continue to use the beautiful outdoor spaces that are maintained by staff and our garden volunteers who do weekly weeding and upkeep. The lovely weather saw our barbeque and patios well-used throughout the season by residents, caregivers and their families

Volunteer Programs

This past September, I celebrated my fifth anniversary with the Langley Hospice Society as volunteer coordinator. In looking back, what resonates with me the most is the amazing support that we have received and continue to receive from our community. At a time when 61% of Canadian non-profits have seen a decline in volunteer numbers since the global pandemic, we continue to flourish thanks to those who choose to give us the gift of their time.

Today, we receive a wide range of applications from community members of all ages, looking to connect with an organization they can be proud to be a part of. This has been more than 40 years in the making, and a result of the engaged support of our board of directors, staff who are here for more than a job and, of course, our dedicated volunteers. As I take a moment to look back, I also look to the future and am encouraged knowing that the Langley Hospice Society will continue to attract the kinds of volunteers who have helped bring us to where we are today.

Upcoming Events & Activities

On Tuesday, November 17, 2026, we will be holding our Sixth Annual **Walk to Remember** – a memorial walk at the **Derek Doubleday Arboretum** hosted in partnership with *Langley's Division of Family Practice*, and in recognition of National Bereavement Day, to hold space and invite the community to come together and acknowledge those that have been impacted by the death of a loved one.

We're inviting the community to come together, and join us at 5:30pm, for live music, and a short program, followed by a Candlelight Memorial Walk at 6:30pm, accompanied by a bagpiper, as we walk the path together, in memory of loved ones and in support of our community. You can also stop by throughout the afternoon after 3:30pm, to hang a memorial ornament and walk the large path onsite with friends and family at your leisure and connect with our staff and volunteers onsite.
